Superintendent Swartz  
900 Preddice Parkway  
Scotia, NY 12302

Dear Superintendent Swartz,

I am writing to submit my resignation from my position at Glendaal Elementary School within the Scotia-Glenville Central School District. This decision comes with bittersweet emotions, as my time at Glendaal has been filled with countless memories and invaluable experiences.

I am grateful for the opportunity to have been a part of such a supportive community. Glendaal has truly been a second home to me, and the relationships I have formed with both colleagues and students have enriched my life beyond measure.

However, I have come to the realization that I must prioritize my family's needs above all else. While leaving Glendaal is a deeply emotional decision, I know it is the right one for my family.

I want to express my heartfelt thanks to you, Tom, and the entire district for your support and guidance throughout my time here. It has been an honor to be a Tartan, and I will carry the memories of my time in the district with me always.

Sincerely,

Kara Amann
