Superintendent, Susan Swartz & Scotia-Glenville Board of Education
Scotia-Glenville Central School District
900 Preddice Parkway
Scotia, NY 12302

Dear Superintendent Swartz & members of the Board,

Please accept this letter as my formal resignation from the position of Director of Technology at Scotia Glenville Central School District. I entered this position with a great deal of enthusiasm and confidence in my ability to advance the district from a technology standpoint.

However, as we all know, change is inevitable and simply a fork in the road on the journey.

Susan & members of the board, I am genuinely thankful for the opportunity I was afforded to return to Scotia-Glenville and work with an amazing group of faculty, staff & students. That is the single reason that makes this decision extremely difficult.

Susan and Drew, I am also genuinely thankful for the opportunity to have worked with you again. I learned a great deal from both of you and I am grateful for that.

My last day will be close of business on April 19th, 2024.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sylvi Joseph', written over a light blue horizontal line.
