Re: Waste Removal Bid Results

Attached you will find the bid results from the recent bid opening for waste removal services. This was a cooperative bid among seven local school districts.

Bids for all districts came in much higher than the previous bid in 2021, with Scotia seeing an increase of 62% from the current year. The increase may be attributed to the increase in diesel fuel and the acquisition of Twin Bridges by Casella.

Please see below for the historical bid information in regard to increases/decreases for the last three bids:

18/19 (4%)	21/22 (30%)	24/25 62%
19/20 2%	22/23 2%	25/26 3%
20/21 2%	23/24 2%	26/27 3%

The average increase over the last nine years is 4.67%.

Please let me know if you have any questions.
