Re: 2024-25 Food Service List

Attached please find the Food Service list for 2024-25. Student meal prices are at zero
for the school year due to the district's participation in the CEP program. The only
change to the price list is the slight increase in the cost of a second breakfast or lunch
for students (.05 increase for students for breakfast, .05 increase for elementary lunch
and .10 increase for secondary lunch).

Ala carte items remained at the same price as last year, as did the cost for beverages.

Please let me know if you have any questions.

Thank you.
