Good Afternoon,

I am writing to formally submit my letter of resignation as a Special Education Teacher at Scotia Glennville. While I understand the timing at the end of the summer is inconvenient and not ideal, I am hoping that this letter can be recognized as effective two weeks from today, at the start of 2024 school year.

Leaving Scotia is a tough decision, I have greatly appreciated the opportunity to coach Girls on Run and be an active part of an amazing professional community with colleagues that I will miss . However, the opportunity to be in a similar, smaller school district 5.7 miles away from home and a later start time will help solve childcare issues that I struggled with this during past year. I am eternally grateful for the opportunity to work for Scotia, it has give me the chance to grow professionally and personally.

Thank you once again for the opportunities and support. I hope to maintain connections with the school community in the future.

Sincerely,
Meghan Murphy
