Dear Susan and Tom,

I am writing to inform you that I am retiring on Saturday, September 28, 2024. My last day of work will be Friday, September 27, 2024 at the close of the business day, and I plan on keeping my health insurance. It has been wonderful working for the Scotia-Glenville School District and being part of the Glendaal Cardinal Family for the past 25 years. I will miss all my co-workers, friends, and especially the students and their families!

Best wishes for the continued success of our district faculty, staff, and students!

Carol Zuravin
