

Present Grade: \_\_\_\_\_

Present Homeroom: \_\_\_\_\_

LEGAL NAME \_\_\_\_\_  
(Print) LAST FIRST

**IN PREPARING THE COURSE SELECTION SHEET, PLEASE REMEMBER:**

- Enroll** in at least 6 credits including physical education at all times. (Board of Education policy).
- Obtain** advice from parents, classroom teachers, and school counselors concerning course selections. Before selecting courses, give careful thought to goals, interests and aptitudes. Take the most challenging courses possible.
- Check** graduation requirements. School counselors are available to help you understand the requirements and will double check these forms.
  - These courses are your first choice requests. Should a scheduling conflict arise, a school counselor will contact you for adjustments.
  - Course drops after the school year begins are made **only** if it can be determined that a student is inappropriately placed according to ability. Permission to change courses must be given by the department head, the teacher, the school counselor, the parent and the principal.
- Look over** the Program Planning Guide online so that you are familiar with the graduation requirements, sequence requirements and course descriptions. The Program Planning Guide is a PDF file and can be found via the school district website on the high school counseling office page at:

<https://www.scotiaglenvilleschools.org/senior-high-school/counseling-office/hs-course-guide/>

► Any necessary changes after the school year begins will be addressed on an individual basis after the ninth week and before the 20<sup>th</sup> week of the course.
